

# MANAGING COACH CREDENTIALS

## Details:

- There is no mandatory requirement for coaches to upload the externally provided credential documents (First Aid, CPR, Ocean Safety and WWCC) to our online system.
- The external credentials are still a mandatory requirement to operate as an accredited coach and it is still the responsibility of the 'employer' (Surf Schools) to ensure that coaches are fully accredited.
- Coaches are required at the time of completing their online coaching course or the coaching annual renewal to provide the credential information (WWCC, First Aid, CPR, Ocean Safety course provider information and expiry dates) on the course page of the Learning Centre.

## You can select how you want to manage your coach's accreditation documents:

- If you are currently using your own filing system for coaching credential documents, you can continue to do so. You can keep your own staff matrix and ensure the documents are available when your state branch or Surfing Australia does a 'check in'.
- A staff matrix template is available here: <https://surfingaustralia.com/surfschoolsstaffmatrix>
- If you would like to use the Surfing Portal (JustGo) to store documents, you have the option to ask your coaches to upload them here, or you can upload them on your coach's behalf. Credential documents in JustGo need to be reviewed.  
**Refer to page 2 of this document for details on how to upload credentials.**
- Anyone in a 'club administrator' role will have access to review and approve the credentials for those listed in their Surf School.  
**Refer to page 4 of this document for details on how to approve credentials.**

## Accessing your coach's Surfing Australia accreditation certificates:

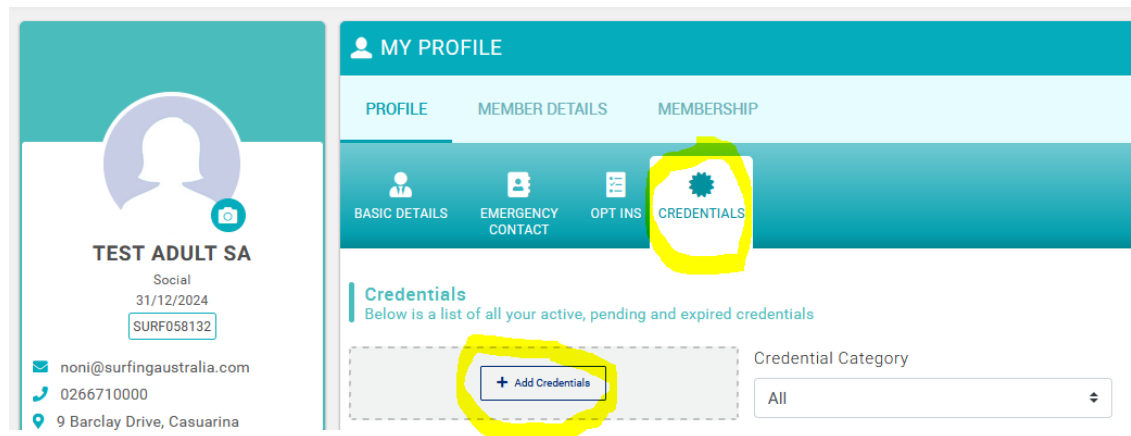

- The current accreditation certificate will now only show the Surfing Australia coaching credentials status (course completions and state memberships).
- For instances like applying for a council permit where you will need to provide your coach's credentials, you will need your coach to provide you with this accreditation certificate (still accessed through the Surfing Learning Centre) along with the external credential documents (WWCC, First Aid, CPR and Ocean Safety certificates).

# MANAGING COACH CREDENTIALS

## INFORMATION PROVIDED TO ALL COACHES:

### Your External Credential Documents

- You will no longer upload external credential documents (WWCC, First Aid, CPR and Ocean Safety) to the Learning Centre
- It will be up to your 'employer' (Surf School) to confirm where they want your credential documents to be stored: in their own system or in the Surfing Portal

### Your External Credential Information

- You will need to provide the credential information (course provider, expiry date) when you complete a coaching course or annual renewal
- All of the current credentials required to be a coach are still mandatory to be accredited with Surfing Australia

### The Surfing Learning Centre

- You will only use the Learning Centre to access your online courses and anything specific to that course, such as your logbook
- You will still access your accreditation certificate here

## The following are managed through your online Surfing Portal (JustGo) account:

### Coaching Course Completion

- Enrol into online coaching courses (including the annual coaching renewal course) through the Surfing Australia website to gain access to the courses in the Learning Centre
- Foundation and Progression course logbooks are uploaded to the Learning Centre

### Safeguarding Course Completion

- You will gain automatic access to the 'Safeguarding Children and Young People in Sport Induction' course in the Learning Centre
- This course does not expire

### State Membership

- Each year you will still pay for your state membership in your Surfing Portal (JustGo) accessible through the Surfing Australia website
- This provides you with personal accident insurance

## The following are completed with external course providers.

If you need to store these documents in your Surfing Portal account (JustGo) access the upload guide [HERE](#).

### Ocean Safety Award

- Acceptable awards are listed [HERE](#)
- Valid for 1 year

### Provide First Aid - HLTAID011

- Valid for 3 years

### Provide CPR - HLTAID009

- Valid for 1 year

### Working with Children Check

- Validity length varies by state
- Verification of the check is the responsibility of the Surf School

Surfing Australia and the State Branches will conduct regular check ins with Surf Schools to ensure all coaches have active credentials as part of ongoing auditing and training.

**Need help? Reach out to your state contact or log a support ticket [HERE](#).**
